## HOLDING A FUNDRAISING EVENT TO HELP YOU REACH YOUR GOAL

Here are a few ideas to get you started on how you can raise money by holding an event. Let your creativity fly and think of ways that showcase your likes or talents. Whatever you choose, make sure you clearly explain why you are holding the event (Shooting Star 5K Run and Walk for Life), who the money is going to (Morning Star Pregnancy Services) and your fundraising goal.

- ▶ **Corporate Matching Gift Programs.** Check with your employer or Human Resources Department to see if they have a Matching Gift Program. It's a great way to double your donation money. You can also ask your sponsors whether their employers have a Matching Gift program as well.
- ▶ **Hold a Dress Down Day at Work.** Work with your Human Resources Department to hold a "Dress Down Day." Co-workers who donate money to your fundraiser can dress casually on a specific day. You can either pick a specific dollar amount or let coworkers choose how much to donate.
- ▶ **Hold a Bake Sale.** Your sports team could make baked goods and sell them at a concession stand at one of the games. Your church could sell treats after a church service. Ask co-workers to donate baked goods and hold a bake sale in the break room. Wherever you are holding a bake sale, post a sign announcing that you will be participating in the Shooting Star 5K Run and Walk for Life and your fundraising goal.
- ▶ **Music Night.** If you're musically talented, play at a local coffee shop, putting out a tip jar for your fundraiser. You can talk about your fundraiser before, between sets, and after. Have information on the Shooting Star 5K Run and Walk for Life next to the tip jar or post a sign next to it, so your audience knows what the money is going toward.
- ▶ **Lemonade Stand.** Fun family activity!
- ▶ **Hold a Car Wash.** Ask a local business that has access to water and a large parking lot to partner with you. Find some friends to help, make some signs, gather some supplies and take advantage of photo ops!
- ▶ **Restaurant Night.** Ask a local restaurant if they would be willing to have a Fundraising Night for you. Advertise the date to all of your friends, family and coworkers. Work with the restaurant to agree upon the percentage of the proceeds that will be donated to Morning Star.
- ▶ **Talent Night.** Find a local coffee shop or community center to hold a talent night. Charge an admission fee to audience members. You can even hold it in your backyard for a Neighborhood Talent Show!
- ▶ **Chili Cookoff.** Find people passionate about chili and hold a cook off at a specified location. Attendees can pay an entrance fee to sample all the chilis and vote!
- ▶ **Teach a class.** Maybe you're a painter, a fitness instructor, a guitar player or a social media guru. Whatever your talent, hold a class and charge a fee. Plan out the space you will need and supplies to cover costs.

## WRITING A FUNDRAISING LETTER FOR MORNING STAR'S 5K RUN & WALK FOR LIFE

### **Make a list of everyone you know.**

Think about everyone you know and make a physical list (you will use this physical list to keep track of funds raised, who to follow up with and who to send thank you cards to). Do not disregard someone because you think they cannot or will not support you.

### **Invite them to support you.**

Explain Morning Star's 5K Run and Walk for Life and how you are participating in the event. Are you running, walking or both? Maybe you are volunteering to help at the event. Whatever your involvement, invite your potential sponsors to support you. Make sure you include your personal fundraising goal and suggest possible contribution amounts. Be excited about your fundraising goal and how your support will help Morning Star.

### **Personalize It.**

Explain why you are participating and supporting the Shooting Star 5K Run and Walk for Life. Write a story or tell why Morning Star is special to you. Sharing a personal story of significance to you helps people to make a connection to you and Morning Star, making them more likely to support your fundraising goals.

### **No Mass Emails.**

You can use essentially the same letter when emailing potential sponsors, BUT individualize each one in the salutation. For example, "Hi Sally, it was so good to see you at the pool this summer." In addition, do not send a mass email with everyone's email address showing. This makes the email more impersonal and will more likely result in your potential sponsor deleting it from their Inbox.

### **List the Ways to Donate.**

List the ways in which your sponsors can donate to your fundraising goal. Can they send you a check? If so, what address should they mail it to? Make sure they know to make the check out to Morning Star Pregnancy Services. Do they want to drop it off to you or give it to you at a function you will both be attending? If so, how can they get in contact with you to set it up? Have you set up a fundraising page through Morning Star's website so they can donate online? If so, let them know how to access it or send them a link.
